

Needs Analysis Quiz

1. **Mary, 66**, got a policy **8 months ago**. She pays **\$92/month** for **\$12,000** in whole life coverage. She says she mainly wanted to make sure her kids do not have to pay for her funeral.
2. **Robert, 71**, got a policy **7 years ago**. He has **\$18,000** in coverage. He says he wanted it to cover burial and leave something behind for his daughter.
3. **Linda, 63**, got a policy **9 years ago**. She has **\$100,000** in coverage and pays **\$78/month**. She says she got it to protect her husband if anything happened to her.
4. **James, 69**, got a policy **4 years ago**. He has **\$35,000** in coverage. He says he wanted to cover his burial and leave his grandkids a little something.
5. **Barbara, 74**, says she does not need life insurance because she already has a **prepaid funeral**. She paid for it 5 years ago. She has no life insurance outside of that.
6. **Carl, 68**, says he does not need coverage because he plans to **donate his body to science**. He has no policy and says his kids know his wishes.
7. **Patricia, 70**, got a policy **1 year ago**. She has **\$15,000** for **\$61/month**. After quoting, your price is slightly higher for the same amount of coverage.
8. **Derrick, 58**, says he has **\$75,000 through his job**. He has no personal policy. He says he is covered and does not need anything else.
9. **Gloria, 77**, got a policy **6 years ago**. She has **\$10,000** and says she only wants cremation. She does not care about leaving money behind.
10. **Thomas, 65**, says he has **\$60,000** in coverage that he bought **5 years ago**. He pays **\$49/month**. He says he got it because he did not want his wife dealing with funeral costs.
